**We are committed  
to educating each child**  
so that he or she will contribute  
to the future of the world  
with **clear and creative thinking,  
compassion,  
moral strength, and courage.**

Spring Garden Waldorf School  
is part of the long-standing Waldorf tradition,  
a worldwide movement putting Rudolf Steiner's  
educational philosophy into practice.

This method works because  
**it addresses  
the whole child —**  
cognitive, social, and creative —  
and **meets the needs  
of each individual**  
through a challenging and  
multi-sensory environment.

*Closing Verse:*

*Motto of the Social Ethic by Rudolf Steiner*

*It is wholesome and healthy only  
When in the mirror of the Human Soul  
The whole community is forming itself  
And when in the community is living  
The strength of the Single Soul*
