October 12, 2020 at 6:30 p.m.

**We are committed
to educating each child**
so that he or she will contribute
to the future of the world
with **clear and creative thinking,
compassion,
moral strength, and courage.**

Spring Garden Waldorf School
is part of the long-standing Waldorf tradition,
a worldwide movement putting Rudolf Steiner's
educational philosophy into practice.

This method works because
**it addresses
the whole child —**
cognitive, social, and creative —
and **meets the needs
of each individual**
through a challenging and
multi-sensory environment.

Closing Verse:

Motto of the Social Ethic by Rudolf Steiner

*It is wholesome and healthy only
When in the mirror of the Human Soul
The whole community is forming itself
And when in the community is living
The strength of the Single Soul*
