2021 - 2022

You should bring (or wear) the following things with you to school on the first day of class, they will remain at school for the year or should come back the next day if taken home.

*A pair of lace-up indoor shoes (supportive athletic shoes, please, for movement on concrete floors)

*A pair of lace-up outdoor shoes (supportive athletic shoes, please, for movement on slippery outdoor surfaces)

*A pair of waterproof boots

*A rain jacket

*Rain pants (these are optional, but we will go outside in all weather)

*A pencil case or pencil box (if you would like to use the one you made last year in handwork, that would be great)

*A box of graphite pencils with erasers

*Wide-ruled (not college-ruled) notebook paper

*A 1-inch three-ring binder with two folders (and your wide-ruled paper, above) inside

*Two composition books

*A box of tissues

Please also have a backpack to carry things back and forth from school each day, a lunchbox to carry your lunch and a healthy snack, and a water bottle.

When cold weather arrives, please have all weather-appropriate gear. Students will be able to decide what to wear, and we will be outside (often without shelter) for prolonged periods of time, in all weather, in the clothes they have chosen.

Finally, please be sure that you come to school on the first day prepared with your completed summer reading assignment, distributed in the last week of the school year.
