Head Basketball Coach — 2026–2027 School Year

Spring Garden Waldorf School (SGWS) is seeking a **Head Basketball Coach** for the 2026–2027 school year.

We are hoping to build a positive, encouraging basketball experience for our students.

The ideal coach will enjoy working with students in grades 5-8 and be able to foster **teamwork, sportsmanship, confidence, and a love of the game**. While basketball experience is certainly welcome, being an expert in the sport is not necessarily required. We have two enthusiastic high school student volunteers who are eager to assist with practices and games. Strong **communication, organization, leadership, and player-management skills** are particularly important.

Season: November–February
Practices: After school, approximately twice per week; specific days are negotiable
School Breaks: No mandatory practices or games scheduled during school breaks
Games: A game schedule has already been established with approximately one game per week beginning in December.

We are looking for someone who can provide consistent leadership, create a supportive team environment, and help our students grow both as athletes and as members of a team.

Please see the **Head Coach Job Description** for additional information about the position and responsibilities.

If you are interested in joining our school community in this role, please email **Kristen Oberhaus** with a **resume and letter of intent**.
